## THE MONEY!

Let's face facts all pool players first thoughts are how much will it cost and how much can I WIN! Unlike other tours the prize funds are [GUARANTEED](#).

The GB9BT achieve this by knowing exactly how many players will be entered into each tournament with our unique way of collecting tour fees.

### Prize funds

| <u>TOURNAMENT</u> | <u>PRIZE FUND*</u> | <u>WINNERS PRIZE*</u> |
|-------------------|--------------------|-----------------------|
| Pro event         | £2150              | £800                  |
| Challenge event   | £2000              | £600                  |
| Main event        | £4080              | £1000                 |

\* Figures quoted are current forecasted and subject to possible change. Look out on our soon to be launched website for more info.

Remember all players are entered into 2 of the above 3 tournaments and winning 2 matches in any of these tournaments will win sufficient cash to cover the entry fee for that event.

### Ranking list

GB9BT will operate a 12 month ranking list. At the end of season 1 the top 32 on the ranking list automatically qualify to join the pro section in season 2. GB9BT are committed to providing rewards for top ranked players at the end of the season, whether by providing funding to a top European event (subject to negotiation with BPPPA) or an alternative cash or other reward. We hope to be able to announce more details on our website shortly.
